

Nursing Major Bachelor of Science in Nursing
Four Year Pre-Licensure Nursing Curriculum Plan
Edna Jenkins Mann School of Nursing

Student

ID#

Advisor

The first two years of the curriculum include all the Liberal Education Core class requirements and nursing pre requisites. Application to the major will occur in December of the sophomore year after completing at least 45 credit hours. Students will be notified in January of admission decisions for the major and will begin the major nursing curriculum in the fall of the next calendar year.

Admission to the major is a competitive process in December of sophomore year. Guidelines follow:

- Minimum cumulative GPA of 2.75 (will likely require higher GPA to be competitive)
- Completion of at least 45 credit hours prior to application
- Completion of all nursing pre-requisite classes and Liberal Education Core requirements
- Minimum ACT score of 18
- Completion of the Kaplan Admissions Exam prior to application
- Admission score based on GPA (25%), ACT (25%), Admission Exam (50%)
- Students with top 36 scores will be admitted; approximately 5 additional students will be placed on waiting list until the classes start in the fall
