Advisor

Students preparing to teach in Kentucky will receive both elementary and secondary certification by fulfilling the requirements of this program and passing the PRAXIS II exams. It is the student's responsibility to consult the College Catalog regarding requirements for admission to the Teacher Education Program and student teaching. These include, but are not limited to, a cumulative GPA of 2.75 or higher. No grade below a "C" is acceptable.

This program of study is valid for 3 years following acceptance into the Teacher Education Program; however, the program may be altered at any time by state or national accreditation or certification agencies.
